# I CAN'T AFFORD THE MEDICARE PREMIUMS... CAN I GET HELP PAYING FOR THEM?

**YES!** THERE ARE TWO PROGRAMS THAT HELP  
PAY YOUR MEDICARE COSTS:

## 1

### Medicare Savings Programs (MSP)

This program helps pay your Medicare costs if you have limited finances. To qualify, you must have or be eligible for Medicare Part A and meet income and asset guidelines.

*NOTE: This program also helps with prescription drug costs.*

## 2

### Low Income Subsidy (LIS)

Also known as Extra Help, this program helps people with Medicare lower their costs of Medicare Prescription drug coverage (Part D). You must meet income and asset guidelines.

## WHERE TO GET HELP

To find out if you are eligible for any of these programs, or how they work with your Indian Health benefits, speak with your clinic's benefits counselor.
