LADWP's Cool LA program helps seniors 'Beat the Heat and Stay Safe.' If you're 60 years old or older, join us at Cool LA Heat Relief for Seniors to learn how you can combat extreme heat. We will provide valuable information about LADWP programs that help provide heat relief, especially for high-risk seniors. Low-income seniors may qualify for LADWP's EZ-SAVE and Level Pay programs to help lower their electricity bills and make air conditioner use during heatwaves more affordable.

Qualifying seniors 60+ attending this Cool LA event may be eligible to receive a portable room air conditioner.

To qualify:

✓ **RSVP by Friday, July 12 to attend**

✓ You must be an LADWP customer age 60+ (bring proof of age)

✓ You must be enrolled in LADWP's EZ-SAVE program

**NOTE: If you are not currently enrolled in EZ-SAVE, you can enroll on-site at the event.**
